

<p style="text-align: center;"><u>LITERACY</u></p> <p>Fiction Units: We will be reading <i>The Hobbit</i> and we are so excited! We will enjoy the fictional characters and wonderful language and character development.</p> <p>Non-Fiction Units: We will be using non-fiction texts to find out about Dinosaurs, classification of animals and biomes.</p> <p>Comprehension: The children will focus on retelling, finding answers in the text and using inference and deduction across a range of paragraphs.</p> <p>Grammar and Phonics: This term we are learning more about sentence structure, clauses and phrases.</p>	<p style="text-align: center;"><u>MATHEMATICS</u></p> <p>The Children will follow the New Curriculum for Mathematics (2014). They will follow units on Place Value, and all four operations throughout the term.</p> <p>This term we will focus on developing skills with fractions, which will include multiplication and division. We will continue to develop our Maths detective skills, building on problem solving and investigating.</p> <p>Please continue to complete My Maths activities on computers when it is set and practise times tables regularly. Rapid times tables recall will support your child in learning to use new skills.</p>	<p style="text-align: center;"><u>TOPIC</u></p> <p>We are extending our topic on dinosaurs to include the classification of other animals, including vertebrates and invertebrates, habitats, adaptation and diet.</p>
<p style="text-align: center;"><u>ART and DESIGN</u></p> <p>We will make sock puppet dinosaurs and create our own plays to share with the rest of the school. We will continue to develop water colour painting and sketching skills through close observation and colour mixing.</p>	 <p>St Michael's Primary School, Playden Curriculum Overview Term 4 Year 3/4 Mrs Pepler Topic: Dinosaurs and other animals</p>	<p style="text-align: center;"><u>RE</u></p> <p>This term we will be learning about our society and rules. We will find out more about how Moses received the 10 commandments and which commandment Jesus said was the most important, and why.</p> <p style="text-align: center;"><u>SCIENCE</u></p> <p>In conjunction with our topic work, in Science we will be learning about animals and classification.</p>
<p style="text-align: center;"><u>PE / GAMES</u></p> <p>This term our focus will be dance and gymnastics.</p>	<p style="text-align: center;">HELP YOUR CHILD AT HOME BY:</p> <ul style="list-style-type: none"> • Borrowing topic books from the library • Reading with them daily, focussing on reading aloud fluently and taking account of punctuation. • Supporting them to learn their times tables and spellings. Play games that involve mental maths. 	<p style="text-align: center;"><u>PSHE and CITIZENSHIP</u></p> <p>This term we will be learning more about feelings, emotions and building healthy and strong relationships.</p>
<p style="text-align: center;"><u>COMPUTING</u></p> <p>The children will:</p> <ul style="list-style-type: none"> • Use computers to find and record information. • Use the tools in PowerPoint and Word • Play maths games.
