Dear Parents and Carers,

Jaws n Claws Interactive Workshop, Monday 10th September 2018

To launch our exciting new topic of, 'It's a jungle out there' we have arranged some interactive workshops for Kandinsky and Matisse classes.

Jaws n Claws are an animal-handling company based in East Sussex with over 10 years' experience in the field. They offer an opportunity for children to look at and handle exotic creatures and all handling sessions are uniquely tailored to age and ability. The children will learn lots of interesting yet educational facts about the animals and the world they live in.

We are asking for a contribution of £3.00 per child towards this experience; some of the cost is being met by the PSA's annual contribution to school trips and events. Kindly complete the permission slip below and return to the school office by Friday 7th September.

Yours faithfully,

Mrs Duly & Miss Harwood
