18<sup>th</sup> October, 2018

Dear Parents/Carers

**2019-20 Y5/6 Class Residential Trip:**  
**Adventure Activities Isle of Wight, 23<sup>rd</sup> to 27<sup>th</sup> September, 2019**

I am writing to invite you to a meeting about the residential trip which is planned for September, 2019. Although the trip is several months ahead, past experience has shown that early planning is essential to both parents and staff.

Due to the success of the last residential trip, we have decided to once again go with "**Adventure Activities Isle of Wight**". We are fully confident that the children will enjoy this truly unique residential stay at their idyllic glamping site in the west Wight. The highly trained team provides a range of land, water and team-building activities designed to inspire, motivate and challenge pupils both physically and cognitively. Partaking in an adventurous activity helps to raise aspirations, build confidence and social skills, as well as being a great opportunity to simply get outside and have fun!

Adventure Activities Isle of Wight has a strong environmental and self-responsibility ethos that gives students the opportunity to go 'back to basics', all within the comfort and safety of their beautiful purpose-built campsite. We can assure you that they come with an exemplary safety record and are quality recognised by a number of National Governing bodies.

The meeting will take place on **Thursday 1<sup>st</sup> November at 3:00 pm**. In the school hall, where we will share with you full details of the trip and costs involved, and you will have the opportunity to ask questions and address any concerns. Your children will be attending the meeting with you.

Yours faithfully

Miss S James  
Class Teacher
